

Niamh Kelly

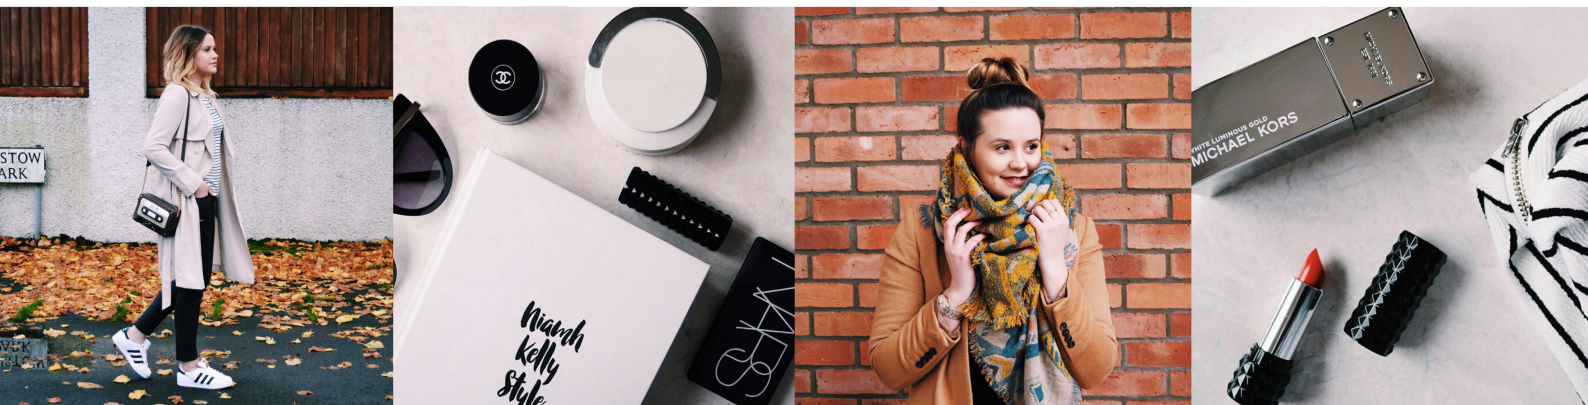

Bio

After graduating in 2010 from Interactive Multimedia Design Niamh undertook a prestigious media course with the BBC. At this time she launched her style and beauty blog to display visually; trends and ideas that are inspirational to her. Since then Niamh has been freelancing as a fashion journalist working with The Irish News for three years and featuring in southern publications, Her.ie and RSVP. Through blogging Niamh has had the opportunity to collaborate with many local and high street brands as well as interviewing Katie Price and Louise Redknapp as part of their beauty launches.

Brands

Through blogging Niamh has worked with various fashion and beauty brands that include:
